MALESTIAN  
SEED DISTRIBUTION

BECAUSE THIS SEED ARRIVES THROUGHOUT THE YEAR  
AND IS SHORT LIVED, THIS DISTRIBUTION IS HANDLED  
SEPARATELY FROM THE MAIN SEED PROGRAM. THOSE  
WHO ARE INTERESTED IN ACQUIRING THIS SEED SHOULD  
SEND A STAMPED, SELF-ADDRESSED ENVELOPE TO  
MRS. ROBERT BERRY, 617 FAIRWAY DRIVE, ABERDEEN,  
WA. 98520.

OUR WARM THANKS TO ALL THE FINE PEOPLE WHO  
HAVE MADE THE EFFORT TO COLLECT, CLEAN AND  
CONTRIBUTE SEED TO THE EXCHANGE. WE REGRET  
THAT IT IS NOT POSSIBLE TO INCLUDE ALL THE  
DESCRIPTIVE INFORMATION THAT YOU HAVE GIVEN  
US.

# Seed Exchange - Spring 1978

## American Rhododendron Society

### Instructions Relative to Distribution

1. All correspondence should be addressed to American Rhododendron Society, Mrs. John A. Ogle, 4609 Forest Ave. S. E., Mercer Island, Wa. 98040. Checks should be made payable to A. R. S. Seed Exchange.

2. Members may receive only one packet of seed of any one kind but as many selections as desired may be made.

3. Seed must be ordered by both name and number. If seed from a particular source is preferred the letters which designate the contributor should be included. RETAIN THE LIST - distribution of some items will be by number only.

4. List requests in catalog sequence. Indicate order of preference by a circled number following the selection.

5. Hybrid crosses carried over from 1977 are listed in a separate section under original catalog numbers. In the balance of the list small quantities of one year old seed are included under new numbers and should be as viable as fresh seed.

6. Distribution will be delayed until all have had an opportunity to make requests and orders will then be drawn by lot so that each will have an equal opportunity. Contributors should submit their requests promptly so their needs can be supplied before the general distribution.

7. List alternate choices if substitutes are desired. If not, so indicate and the balance will be refunded if \$1 or over.

8. Members outside the U.S. who wish seed sent airmail should include sufficient postage.

9. Seed distribution will be terminated on June 1, 1978 and no seed can be sent after this date.
