

Special Thanks

Bill Moyles, Vireya Chairman. Lewis Mensing and Clarence (Slim) Barrett, proofreading.
Clarence & Elaine Barrett, Lewis Mensing, Gordon Wylie, seed packaging. Layout, Gordon Wylie

The most important list in the catalog is THE CONTRIBUTORS. With their willingness to share the wonders of gardening and their dedication to the Genus Rhododendron they have made possible the ARS SEED EXCHANGE

IMPORTANT INSTRUCTIONS

1. Only members of the American Rhododendron Society may order from this catalog.
2. Use the order blank provided in the catalog. If you need more space, use a separate sheet arranged the same as the order form.
3. Members may select one packet of as many seed lots as they desire.
4. Note that vireya orders are sent to a different address; see vireya list.
5. **A refund will be sent if over \$3.00; listing alternates is encouraged.**
6. Price for each category of seed is listed at the beginning of each group.
7. **Canada** include an import permit with your order. If you don't have one write to: Food Protection and Inspection Branch, Plant Protection Division, Ottawa Ontario K1A 0C6 There is no charge for a permit.
8. All orders will be sent air mail in bubble, pre-canceled envelopes.
9. Check or money order must accompany all **US** orders.
10. Orders outside the US may pay upon receipt of seed order.
11. **Denmark and Scotland** please mark your order form "Bill Danish/Scottish chapter" if you plan to pay through your treasurer.
12. Seed is packaged in glassine envelopes. The quantity of seed per packet and number of packets is a function of quantity of seed available.
13. Distribution will end June 30, 1991.

PLEASE KEEP YOUR CATALOG FOR FUTURE REFERENCE

LATE ARRIVALS

1250	WEA	mucronulatum, (Woodland Pink x Cornell Pink) Hand pollinated
1252	SMC	yak Exbury x yak Fawcett dwarf
1253	SMC	macrophyllum "Bill Magness" x macrophyllum Albion Ridge

VIREYA SEED LIST

Only seed collected in 1990 are listed. Many items are in short supply, so alternatives should be listed. Some stored seed from 1988 and 1989 are available for those interested, please inquire. Data concerning the germination and vigor of seed would be appreciated.

Request for seed should be sent DIRECTLY TO: Bill Moyles, 4243 Norton Ave. Oakland, CA 94602.

Contributions of \$1.50 per packet (free to overseas members) should be sent to the ARS Seed Exchange 313 So Garden Way Eugene Or 97401, AFTER receipt of seed.
