## BECOME A MEMBER TODAY!

The American Rhododendron Society is a vital, active, non-profit organization which welcomes new members. Discover what it has to offer you. Chapters are located throughout the United States and Canada as well as Denmark, Scotland, Holland and India.

### Purpose

To encourage interest in and to disseminate knowledge about rhododendrons and azaleas. To provide a medium through which all persons interested in rhododendrons and azaleas may communicate and cooperate with others through education, meetings, publications, scientific studies, research and other similar activities.

**For Membership information, please contact:**

**American Rhododendron Society**
